

DISCOVER THE WORLD OF GROHE SHOWERS – WHICH SHOWER SUITS YOU BEST?

Looking for a relaxing time-out or an invigorating and refreshing boost? Make your me-moment extraordinary with a GROHE shower system! Dive into the versatile world of GROHE showers to find the shower experience that will suit you best. No matter how big or small your budget, GROHE has the right solution for everyone.

Expert tip:
GROHE thermostats with TurboStat technology always ensure the right temperature, for utmost convenience and safety.

GROHE TEMPESTA 250 COMFORT AND JOY

⊕ The 250mm head shower with full face rain spray, available in round and square designs, maximises the shower experience at an affordable price. An additional highlight of the minimalistic head shower is the benefit of GROHE EcoJoy technology which saves water without compromising on the shower performance.

GROHE EUPHORIA 260 & 310 UPDATE YOUR SHOWER

⊕ The updated GROHE Euphoria range brings fuss-free joy into the bathroom with a 260mm or 310mm head shower. Thanks to FastFixation, the shower systems are an easy upgrade as the installation comes without any drilling. For superior safety, the thermostats are equipped with GROHE CoolTouch to prevent the product surface from getting hot. Plus, the handles guarantee precise water control – even with soapy hands.

GROHE RAINSHOWER SMARTACTIVE SPREAD HAPPINESS

⊕ For personalised shower enjoyment, the hand shower is equipped with the SmartTip control to easily switch between 3 sprays with a touch of a finger. Brand new GROHE DripStop technology has also been added into the design to minimise any annoying dripping after turning off the hand shower in the Rain and Jet spray modes. Additionally the 310 mm head shower provides full body coverage.

GROHE EUPHORIA 310 SMARTCONTROL TURN UP YOUR SHOWER EXPERIENCE

⊕ Immerse yourself in a new dimension of showering. Thanks to its intuitive operation, GROHE SmartControl offers full flexibility for your shower experience – simply push, turn, shower. Choose your preferred volume and favourite spray with the touch of a button and let the 310mm head shower spoil you.
